

The Great Western News

Ask Mr. Janitor :
When my machines go
down, we often can't
keep up with our
cleaning schedule. We
need some help!

Mr. Janitor Answers :
When your machines
go down, think of
Great Western. Great
Western can rent you a
machine so you can
keep up with critical
cleaning needs. Also,
Great Western has an
excellent equipment
repair department that
will quickly and
expertly fix and return
your machines to you.

September 2009

Rent And Repair

As we all know, machines can and do go down and need to be repaired. When this happens, keeping up with your cleaning schedule can be tough. Think of renting a piece of equipment from Great Western. The machines Great Western rents are : a 20" Swing Machine, a 20" Burnisher, an Autoscrubber w/pads, an Autoscrubber w/brushes, and a Carpet Extractor. We have all of the accessories and products to use with these machines to get your cleaning jobs accomplished. For your convenience, a list of the machines we rent with their prices is included on the back of this newsletter.

When your machines do need to be repaired, bring them to Great Western. We have an outstanding equipment repair department led by Brian Finch. Brian has over 12 years experience repairing equipment and has been factory trained and certified by many of the equipment manufacturers. Give Brian a call and discuss your repair needs. Brian will expertly repair your machine and get it back to you as soon as possible.

Ice Melt Reminder

Our pre-season ice melt sale has been extended to include orders placed by September 30, 2009 with shipment by October 30, 2009. At this time, ice melt products are in good supply. Our pre-season sale is a good way to save some money and to be sure of having a supply of ice melt on hand before the first snow fall. We sell several different ice melts in both liquid and granular form. These different ice melts are made with different ingredients and have different characteristics. We will have an ice melt product to meet your specific needs. Take advantage of this pre-season sale to save some money and have ice-melt on hand when you need it. Ice melt prices will increase when this pre-season sale ends.

To place an order or if you have any questions about machine rentals, machine repairs or ice melt products, give us a call at our Davenport office at 563/445-6644 or in the Cedar Rapids area at 319/395-0445.

Please Note

In honor of Labor Day, all Great Western Supply Company offices and warehouses will be closed on Monday, September 7. We will re-open on Tuesday, September 8 at 7:30am.
