

The Great Western News

June 2009

A Real Deal

Ask Mr. Janitor :
All we seem to hear
and read about these
days is bad news. How
about giving us some
good news for a
change!

Mr. Janitor Answers :
Good news? O.K.!
How about a year's
worth of something
nearly all of you can
use - all for **FREE!**
Great Western Supply
has partnered with
Tornado® Industries
to put this together for
our customers. Let's
take a look at this great
deal!

If you buy a Tornado® CV30 single motor upright vacuum between now and June 30, 2009, you will receive a year's worth (six 10 packs) of *CleanBreeze* disposable HEPA filter bags absolutely free. That is a \$197.00 value. See the back of this page for complete details.

When designing the CV30 vacuum, Tornado® Industries consulted with some of the largest consumers of upright vacuums in the industry. These large consumers helped Tornado® design these vacuums from the ground up. A lightweight handle, brush-assisted movement, on-board tools, and true HEPA filtration make the Tornado® CV30 the choice of cleaning professionals. Ease of maintenance was also a design priority for the CV30. It delivers easy operation, versatility, innovative features, ergonomic design, true HEPA filtration, along with unmatched performance. Keep in mind that these vacuums were designed for hard use. The CV30 was designed to stand-up to prolonged daily use, seven days a week. The CV30 is easy to use and maintain, and it delivers a long service life.

The CV30 is a true, 3-stage HEPA filtration (99.9% efficiency at 0.3 microns). It is designed to contain fine particulate and dust, improving indoor air quality and reducing the risk associated with the redistribution of potentially harmful particles and allergens.

The free bags included with this deal are *CleanBreeze* disposable HEPA filter bags. Yes, "regular" paper vacuum bags are available for the CV30, but the *CleanBreeze* bags offer important benefits over "regular" paper vacuum bags. They capture far more particles and allergens than do traditional paper vacuum bags.

Take advantage of this promotion. Buy one or more CV30s and get 60 free *CleanBreeze* bags with each CV30. Call us at our Davenport office at 563/445-6644 or in the Cedar Rapids area at 319/395-0445 to order or with questions or to arrange a no cost, no obligation demonstration.

A better way to clean.
