July 2007

Ask Mr. Janitor:

I don't know about you, but for me there never seems to be enough hours in the day to get everything done. Do you have any ideas on how to save time and be more efficient?

Mr. Janitor Answers:

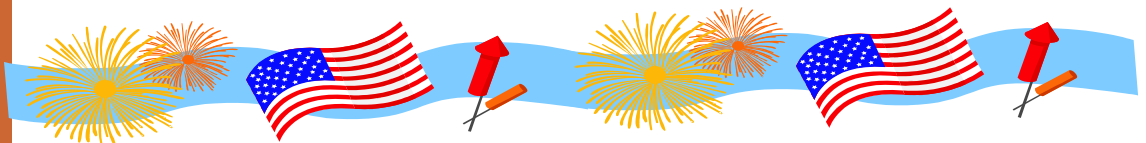

Your computer can be a big help. You can reduce frustration, learn about new products and new procedures, learn how to solve cleaning problems, place orders, change orders, save time and save money by using websites like the website offered by Great Western Supply.

Every company has a “culture”. Here at Great Western, from ownership through all employees, we share a “culture” of giving great customer service and solving problems for our customers.. With our extensive selection of innovative and top-quality products, with our machine service department and with our experienced inside sales service group along with our professional outside sales team, Great Western Supply is ready to quickly and economically help solve your cleaning and maintenance issues.

Another way we provide service to our customers is through our website at www.greatwesternsupply.com. On our website, you may place orders or change orders at your convenience. Detailed technical help and training dealing with specific cleaning and maintenance problems is available on our website. Browse through our catalog or request MSDS sheets if needed. Information on important current topics such as green cleaning and green cleaning legislation are presented. At your convenience, use our website to familiarize yourself with the many products and services we offer, place orders, or learn how to solve specific cleaning and maintenance problems. The Great Western Supply website is ready to serve you 24 hours a day / 365 days a year.

We will be closed Wednesday, July 4 to celebrate our nation's independence.

If we can be of service or to get set-up to place orders on our website, please call us at our Davenport office at (563) 445-6644 or at our Cedar Rapids office at (319)-395-0445.

Have a happy and safe Independence Day holiday!
