Advanced Microfiber System

Charging System

Saves Time While Increasing Effectiveness

Pro-Link's Charging System is great for cleaning and disinfecting in all facilities. It is ideal for healthcare, educational and food service environments, cleaning up to 300 square feet with only one mop, and eliminating cross-contamination risks.

The Charging System pre-loads each mop with the proper amount of cleaning chemicals, minimizing chemical and water waste by 95%. Using the Charging System also eliminates the need to empty and refill buckets, saving time. The compact, lightweight hand cart makes it easier to move throughout the facility, minimizing the risk of worker fatigue or strain.

- One mop (16") to clean up to 300 sq. ft., reducing cross-contamination
- No wringer to press and no heavy bucket to change
- Saves labor
- Reduces water and chemical usage
- Complete, even mop saturation in 30 minutes

Pro-Link's Mega-Loop™ microfiber mops complete the system. They have extended loop technology to pick up dirt and grime throughout the mop, not just at the leading edge like a traditional microfiber mop. With more surface area – four times more yarn than standard microfiber mops – the Mega-Loop mop simply cleans better. Using a fresh mop versus a traditional wet mopping bucket and wringer system also reduces the bacteria left on the floor by 99%.

Charging Bucket Dosing Information

Mop Size	Average Solution	Maximum # of Mops	Surface Coverage
12"	.75 gal	18	4000 sq. ft.
16"	1.5 gal	30	9000 sq. ft.
24"	1.25 gal	15	6500 sq. ft.

Four Easy Steps to Use the AMS Charging System

1. *Place Mega-Loop mops into the charging bucket.*

2. *Pour appropriate amount of cleaning / disinfectant solution into the charging bucket.*

3. *Close the charging bucket with the hermetic cover.*

4. *Turn the bucket upside down. Let sit for 30 minutes before use.*

Charging System

Order Information

Item #	Description	Case Pack
Charging Systems		
12276	12” Charging System for up to 18 flat mops	5
10969	16” Charging System w/ Divider for up to 30 flat mops	1
10970	24” Charging System for up to 15 flat mops	1
Mega-Loop™ Microfiber Mops		
12278	12” Velcro Mop, White	25
12279	12” Velcro Mop, Green	25
10937	16” Velcro Mop, Blue	25
10938	16” Velcro Mop, Red	25
10939	16” Velcro Mop, Yellow	25
10940	16” Velcro Mop, White	25
10942	16” Velcro Mop, Green	25
10943	24” Velcro Mop, White	20
Equipment		
10913	Telescopic Aluminum Handle, 38” to 72”	10
10915	Mop Grabber	10
12564	12” Velcro Mop Holder	10
12565	12” Velcro Mop Holder w/Lock	10
12277	12” Velcro Hand Holder	10
11008	16” Velcro Mop Holder w/Lock	10
10917	24” Velcro Mop Holder	10
10971	1½ Gallon Dosing Pail, Blue	1
10972	1½ Gallon Dosing Pail, Green	1
10983	Hand Cart	1
