

# **EZ-FRESH™** FRESHEN THE AIR

**EZ-FRESH™** is a small and versatile solid air freshener that can attach onto any smooth hard surface. With added malodor eliminating micro porous materials, it freshens the air for up to 30 days while neutralizing bad odors.

## Environmentally Friendly

**EZ-FRESH** is a simple, sustainable air care solution. It is VOC exempt, non-hazardous and free from propellants, solvents and HFCs.

## Flexible

Subtle yet effective and simple to install and replace, **EZ-FRESH** can be attached to any smooth hard surface using the integrated suction cup, out of sight from visitors.

## Refined

If positioned in sight, **EZ-FRESH** blends in well with most interior spaces.

## Multi-Purpose

**EZ-FRESH** can be attached to toilet bowls, urinals, tiled walls, glass windows or any smooth hard surface.

An integrated hanging slot means it can also be hung from a variety of objects.

## Harmonize Your Environment

Pro-Link® understands the importance of always providing a fresh fragrance to create a pleasant ambiance. Sometimes fragrances can get 'lost' and clash when more than one fragrance system is used. **EZ-FRESH™**, however, has been designed to offer the same great fragrance options as Pro-Link's Urinal Screens and e-Merge solid, multi-phasing air freshener.

## Coordinated Fragrances

Coordinate your fragrances to match specific location requirements. Simply attach **EZ-FRESH** to any smooth hard surface in a bathroom stall, or anywhere you want a discreet burst of fragrance, and know that it will work in concert with the targeted fragrance of Pro-Link Urinal Screens and the powerful and appealing multi-fragrance air freshening of e-Merge. Because **EZ-FRESH** fragrances complement our other Pro-Link air care systems, you get the benefit of three fragrance systems without the risk of each system's fragrance interfering with the others. This synchronization of fragrances will harmonize your environment and create one collective wave of fine fragrance throughout each product's life cycle.
