# SANI-CLOTH®

} disinfecting wipes

## What do customers dislike more than a cart with a wobbly wheel?

A dirty cart. Worse still, a cart that can potentially spread harmful bacteria and germs from one customer to the next. Left unsanitized, your stores' carts are delivery devices for germs like *E. coli* and *Salmonella*. Tests performed by labs across the United States confirm these germs – spread from dirty hands, dirty diapers, and leaky fresh meat or poultry packages – are often present on shopping cart handles and baby seats. Sani-Cloth® Disinfecting Wipes kill these and other potentially harmful germs, including flu virus\*. It's a no brainer: Give your customers the reassurance of a clean cart and they'll reward you with increased store loyalty. It's a win-win for everyone, except the germs!

\*Influenza A/Hong Kong  
For efficacy claims, please refer to the Tech Data Bulletin for further details.

### Sani-Cloth® Disinfecting Wipes

- Clean and disinfect
- Kills Flu virus\*
- Effective against MRSA, *Escherichia coli* (*E. coli*), *Salmonella enterica* (*Salmonella*), *Staphylococcus aureus* (*Staph*), *Pseudomonas aeruginosa*
